+ addition

- subtraction

* multiplication

/ division

++ increment

-- decrement

Shorthand operations

Let y += 5 is the same as y = y + 5

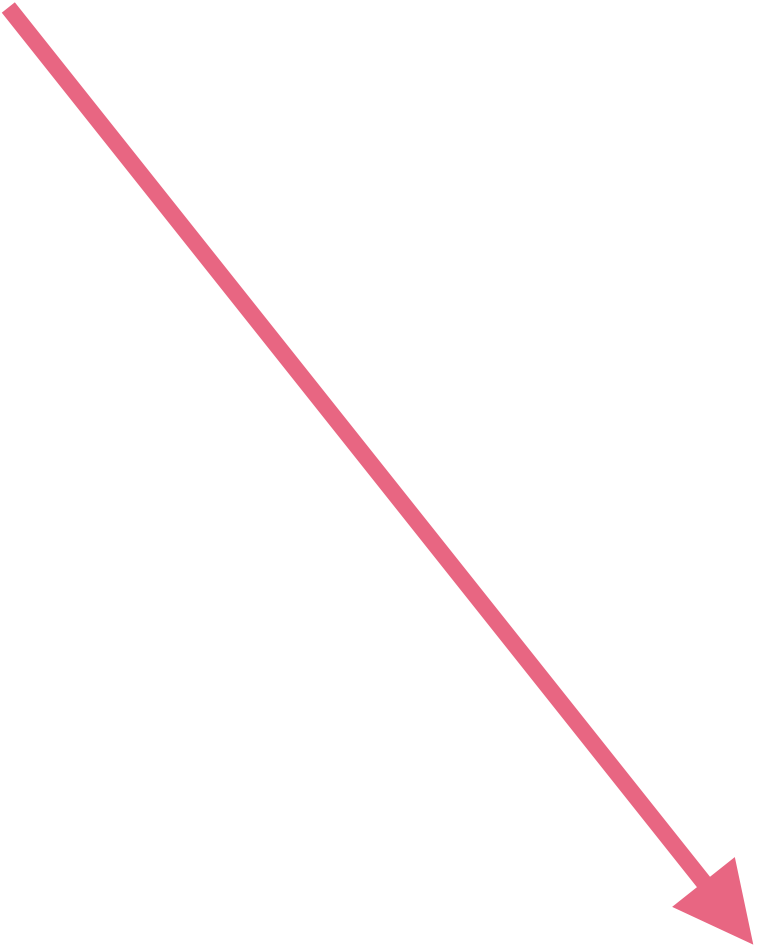
Operations and Operands

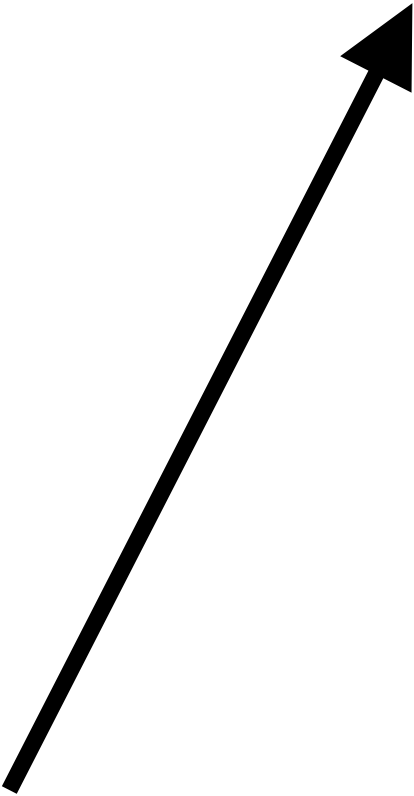
Math Operations

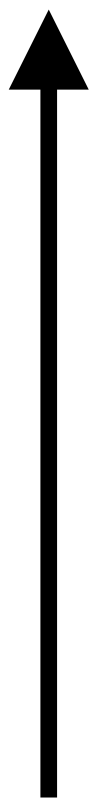
Operator

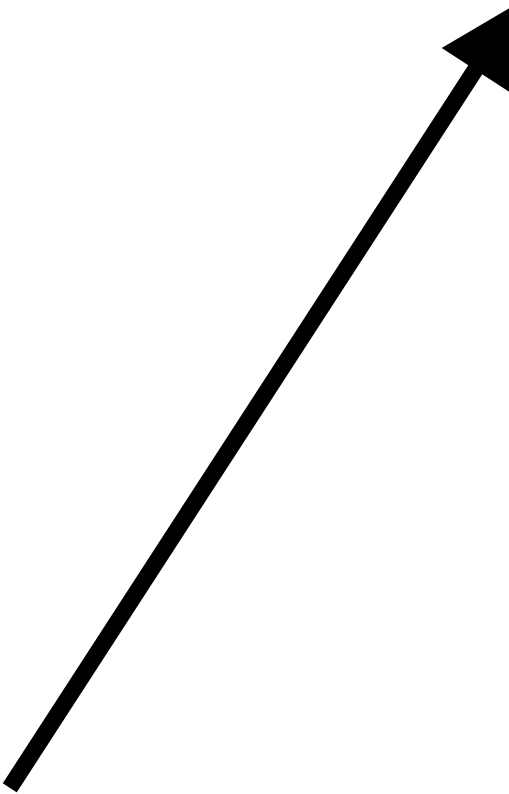
Operand

```
let x = (10 + 10) / z;
```









Math Operations

Operations and Operands

+ addition

- subtraction

* multiplication

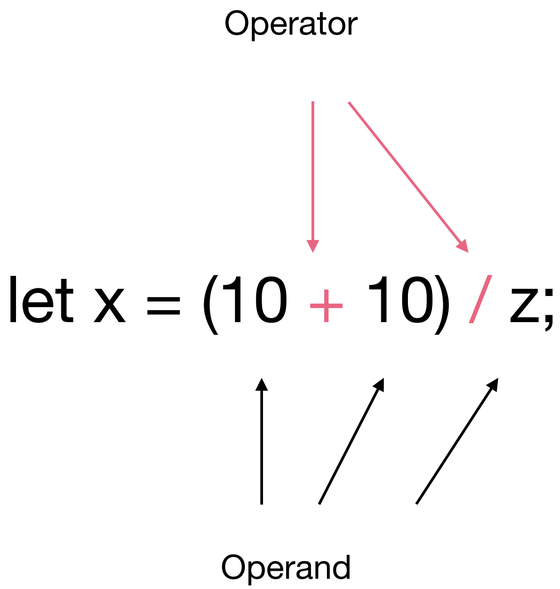
/ division

++ increment

-- decrement

Shorthand operations

Let y += 5 is the same as y = y + 5



For Loops

Iterating Outside of Time

\

```
for (let i = 0; i <= 5; i++) {
    console.log(i);
}
```
